

Goldfinger - My Everything

Tom: **D**

Album: Disconnection Notice

Tabbed by: Steven
Email:

Tuning: EADGB_e (Standard) It's so freakin simple.
Intro:
Verse is the same as intro without the scraping harmonics added with the second part.

Chorus:

Lyrics:

I know you take from me
I know you take away
My everything

I know your every way
I know you make your way
to everything, into everything

Chorus:
I know your threat runs deep, I know you in my sleep
and all this time, I find it hard to swallow

I know your history
I know what you mean to me
My everything

I know your mystery
will not be clear to me

My everything

(Chorus)
I know your mine to keep
I know I'll always be
and all this time i find it hard to swallow

I know you take from me
I know you take away
My everything

(Chorus)
I know your mine to keep
I know I'll always be
And all this time I find it hard to swallow

Play in this order:
