

# Gonzaguinha - Minha Amada Doidivana

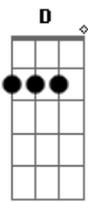

tom:

Intro: D Bb

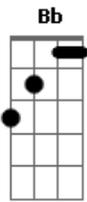

Do fundo dos teus olhos vem mais cores  
 Que todo o arco-íris possa dar, eu sei  
 Das sombras do teu corpo vem mais luzes  
 Do que as luzes do universo a bailar pra mim  
 Eu sei que teus carinhos são bem mais, bem mais  
 Que qualquer mão sedosa no amor, eu sei  
 Mas sei que no teu seio mais amores  
 Que vem zombar de uma paixão, de um ser tão teu

Sei por onde andas (dói-me o peito)  
 Sei com quem me enganas (me magoas demais)  
 Mais sei que quanto mais de mim caçoas  
 Quanto mais feres minh'alma  
 Mais me sinto preso a ti (mi amor)  
 E o amor, oh, minha amada Doidivana  
 Não é assim tão fácil de calar, e eu sei  
 Mas dói saber, amada tropicana  
 Somente eu não estou afim de te explorar  
 Doidivana
