

# Gonzaguinha - Sangrando

Tom: D

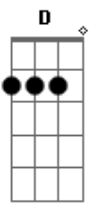

Quando eu soltar a minha voz por favor, entenda  
 Que palavra por palavra  
 eis aqui uma pessoa se entregando  
 Coração na boca, peito aberto, vou sangrando  
 São as lutas dessa nossa vida que eu estou cantando  
 Quando eu abrir a minha garganta, essa força tanta  
 Tudo que você ouvir,

esteja certa que eu estarei vivendo  
 )  
 Veja o brilho dos meus olhos e o tremor nas minhas mãos  
 E o meu corpo tão suado, transbordando toda raça e emoção  
 E se eu chorar e o sal molhar o meu sorriso  
 Não se espante, cante que o teu canto  
 é minha força pra cantar  
 Quando eu soltar a minha voz por favor entenda  
 É apenas o meu jeito de viver, o que é amar
