

Goo Goo Dolls - Become

Tom: C

VERSE 1

C There's so much more about you that you never let them see G

F You turn away C

C But not to me

C And I know how they tried to take you F
G Held you up and meant to break you down

C But you can't be

C For so long I tried to reach you G

G I know I'm almost there F

C I'm close enough for you to see G

C Am You've been hiding in the shadows F

G Have you forgotten how we used to dream F

Am Let me remind you G

G The light doesn't blind you at all Am

F It just helps you see G

G Can you see

CHORUS:

C Yeah you have become G

F Yeah you have become beautiful C

VERSE2

C And I can't be the stranger G

G That's been sleeping in your bed just

F C Turn around and come to me

C I feel all the pain inside G

F And everything you been denied you feel C

C It's all you feel G

Am You've been hiding in the shadows F

G Have you forgotten how we used to dream F

Am Let me remind you G

G The light doesn't blind you at all Am

F It just helps you see G

G Can you see

CHORUS:

C Yeah you have become G

F Yeah you have become beautiful C

C Yeah you have become G

F Yeah you have become beautiful Am

C Brush back your hair and look around you G

F Feeling like the truth has found you here C

C You're here with me G

C Let love become the mirror Am

G With no fear where you're from F

C You have become G

Am Yeah you have become beautiful F
