

Goo Goo Dolls - Before It's Too Late

Tom: **C**

Don't fall just be who you are

INTRO

BRIDGE:

VERSE 1 (Play Intro x2)

I wonder through fiction to look for the truth
Buried beneath all the lies
And I stood at a distance to feel who you are
Hiding myself in your eyes (Right on "...eyes" you play a Palm Muted **C**)

Am **C**
So live like you mean it

G **F**
Love 'til you feel it

Am **C** **G** **F**
It's all that we need in our lives

F **G** **Am** **C**
And hold on before it's too late

Am **C**
So stand on the edge with me

F **G** **Am**
Until we leave this behind

G **F**
Hold back your fear and see

F **G** **Am** **C**
Don't fall just be who you are

Am **G** **C**
Nothing is real til it's gone

VERSE 2(Same as Verse 1):

And the risk that might break you
Is the one that would save
A life you don't live is still lost
So stand on the edge with me
Hold back your fear and see
Nothing is real 'til it's gone (Play a Palm Muted **C** right on "...gone")

F **G** **Am** **C**
And hold on before it's too late

F **G** **Am**
Until we leave this behind

F **G** **Am** **C**
Don't fall just be who you are

(Repeat Chorus once more, and then...)

F **G** **Am**
It's all that we need in our lives

F **G** **Am**
It's all that we need in our lives

F **G** **C**
It's all that I need in my life.
