

# Goo Goo Dolls - Before It's Too Late

Tom: **C**

Don't fall just be who you are

INTRO

BRIDGE:

VERSE 1 (Play Intro x2)

I wonder through fiction to look for the truth  
Buried beneath all the lies  
And I stood at a distance to feel who you are  
Hiding myself in your eyes (Right on "...eyes" you play a Palm Muted **C**)

**Am** **C**  
So live like you mean it

**G** **F**  
Love 'til you feel it

**Am** **C** **G** **F**  
It's all that we need in our lives

**F** **G** **Am** **C**  
And hold on before it's too late

**Am** **C**  
So stand on the edge with me

**F** **G** **Am**  
Until we leave this behind

**G** **F**  
Hold back your fear and see

**F** **G** **Am** **C**  
Don't fall just be who you are

**Am** **G** **C**  
Nothing is real til it's gone

VERSE 2(Same as Verse 1):

And the risk that might break you  
Is the one that would save  
A life you don't live is still lost  
So stand on the edge with me  
Hold back your fear and see  
Nothing is real 'til it's gone (Play a Palm Muted **C** right on "...gone")

**F** **G** **Am** **C**  
And hold on before it's too late

**F** **G** **Am**  
Until we leave this behind

**F** **G** **Am** **C**  
Don't fall just be who you are

(Repeat Chorus once more, and then...)

**F** **G** **Am**  
It's all that we need in our lives

**F** **G** **Am** **C**  
And hold on before it's too late

**F** **G** **Am**  
It's all that we need in our lives

**F** **G** **Am**  
Until we leave this behind

**F** **G** **C**  
It's all that I need in my life.
