

# Goo Goo Dolls - Better Days

Tom: **D**

**D**  
And you ask me what I want this year  
**G**  
And I try to make this kind and clear  
**A**  
Just a chance that maybe we'll find better days **D**  
**D**  
Cuz I don't need boxes wrapped in strings  
**G**  
And desire and love and empty things  
**A**  
Just a chance that maybe we'll find better days **D**

**G**  
So take these words  
**A**  
And sing out loud  
**G**  
Cuz everyone is forgiven now **A**  
**Bm**  
Cuz tonight's the night the world begins again **D**

**D**  
And it's someplace simple where we could live  
**G**  
And something only you can give  
**A**  
And that's faith and trust and peace while we're alive **D**  
**D**  
And the one poor child that saved this world

**G**  
And there's 10 million more who probably could  
**A**  
If we all just stopped and said a prayer for them **D**

**G**  
So take these words  
**A**  
And sing out loud  
**G**  
Cuz everyone is forgiven now **A**  
**Bm**  
Cuz tonight's the night the world begins again **D**  
(Base: **D G A D** )

**D**  
I wish everyone was loved tonight  
**G**  
And somehow stop this fight  
**A**  
Just a chance that maybe we'll find better days **D**

**G**  
So take these words  
**A**  
And sing out loud  
**G**  
Cuz everyone is forgiven now **A**  
**Bm**  
Cuz tonight's the night the world begins again **D**  
**Bm**  
Cuz tonight's the night the world begins again **D**
