(Verse)

I'm a fortunate son, of a fortunate son,
 Living large on the wrong side of town.
Too many friends and the fun never ends,
 Drinkin' and hangin' around.
I wanna' own the world, I wanna' swallow it whole.
 At least I could kick it all down.

I wanna' kick it all down.

(charus)

Eyes wide open, I can't see. Eyes wide open, what you mean. Eyes wide open, I can't seem to be.

(horco)

(chorus)

Eyes wide open, I can't see. Eyes wide open, what you mean. Eyes wide open, I can't seem to be
