

Goo Goo Dolls - Feel The Silence

Tom: **D**

Tuning: standard

Intro: and used throughout the whole song except Chorus:

= use intro

verse 1

You lie awake at night
With blue eyes that never cry
All you remember now
Is what you feel
The truth remains
In midnight conversations

Em
I asked for this moment

G
But you turned away

Sad like a lonely child
Broken the day you're born
I held the light to you
But I was so vain

Bm **G**
And you remain
Bm **G**
A promise unfulfilled
Em
I ask you for more
G
But you push me away

Chorus:

D
And if we feel the silence
G
Holding this all inside us
D
Everything means more now than
G
Words could explain
D
And if we feel the silence
G
Leaving this all behind us
Bm **A** **G**
Looking for something more to say

verse 2(use intro or chords)

D
I don't know where I'm going
Only know where I've been

G
But you move through my soul like a hurricane wind

D
We've been so lost for so long

G
I don't know how to get back again

D
And we're drowning in the water
That flows under this bridge

G
When you're fighting the current
You forget how to live

D **G**
And I wanted to reach you but I don't know where to begin

Bm **G**
And you remain
Bm **A** **G**
A promise unfulfilled until today
Chorus:

D
And if we feel the silence
G
Holding this all inside us
D
Everything means more now than
G
Words could explain
D
And if we feel the silence
G
Leaving this all behind us
Bm **A**
When it's gone what will you say

G
How do we hold on
Bm
How do we hold on
G
How do we hold on
Bm
How do we hold on
A **D**
How do we hold on

(use intro)
You lie awake at night
With blue eyes that never cry **D**
