

# Goo Goo Dolls - Feel The Silence

Tom: **D**

Tuning: standard

Intro: and used throughout the whole song except Chorus:

= use intro

verse 1

You lie awake at night  
With blue eyes that never cry  
All you remember now  
Is what you feel  
The truth remains  
In midnight conversations

**Em**  
I asked for this moment

But you turned away

Sad like a lonely child  
Broken the day you're born  
I held the light to you  
But I was so vain

**Bm** **G**  
And you remain  
**Bm** **G**  
A promise unfulfilled

**Em**  
I ask you for more  
But you push me away

Chorus:

And if we feel the silence  
Holding this all inside us  
Everything means more now than  
Words could explain  
And if we feel the silence  
Leaving this all behind us  
Looking for something more to say

verse 2(use intro or chords)

**D**  
I don't know where I'm going  
Only know where I've been

**G**  
But you move through my soul like a hurricane wind

**D**  
We've been so lost for so long  
I don't know how to get back again

**D**  
And we're drowning in the water  
That flows under this bridge

**G**  
When you're fighting the current  
You forget how to live

**D** **G**  
And I wanted to reach you but I don't know where to begin

**Bm** **G**  
And you remain  
**Bm** **A** **G**  
A promise unfulfilled until today

Chorus:

**D**  
And if we feel the silence  
Holding this all inside us  
Everything means more now than  
Words could explain  
And if we feel the silence  
Leaving this all behind us  
When it's gone what will you say

**G**  
How do we hold on  
**Bm**  
How do we hold on  
**G**  
How do we hold on  
**Bm**  
How do we hold on  
**A** **D**  
How do we hold on

(use intro)  
You lie awake at night

With blue eyes that never cry **end on D**
