

# Goo Goo Dolls - Home

Tom: **B**

Verse 1:

**Abm** **E**  
Clouded rooms full of empty faces  
**Abm** **E**  
Deepest conversation full of life  
**Abm**  
Another night with all my friends  
**E**  
The kind you never see again  
**Abm** **E**  
I wonder if they'll see through my disguise

Pre-Chorus:

**Gb** **Abm**  
And I want to say that I can't hold back  
**Gb** **Abm**  
And it might be wrong, but it's all I have

Chorus:

**B E Gb**  
Come take me home tonight  
**B E Gb**  
Come take me home  
**B E Gb**  
All I need is you now I'm lost without you  
**B E Gb**  
A million miles But I will find you  
**Abm E Abm E**  
So take me home

Verse 2:

**Abm** **E**  
It's 3 AM and I can't sleep without you  
**Abm** **S**  
I think I've found my perfect words to say  
**Abm**  
The satellite transmits my voice  
**E**  
But sometimes we don't have a choice  
**Abm** **E**  
I wake you up from half a world away

Pre-Chorus:

**Gb** **Abm**  
And I tried so hard, tried to be so strong  
**Gb** **Abm**  
But you see the cracks, my defenses gone

Chorus:

**B E Gb**  
Come take me home tonight  
**B E Gb**  
Come take me home  
**B E Gb**  
All I need is you now I'm lost without you  
**B E Gb**  
A million miles But I will find you

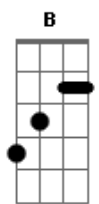

Instrumental Interlude:

**G Am Gb G**  
**G Am B** (hold out)

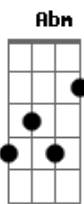

Chorus:

**B E Gb**  
Come take me home tonight  
**B E Gb**  
Come take me home  
**B E Gb**  
Come take me home tonight  
**B E Gb**  
Come take me home  
**B E Gb**  
Satellite transmits my voice but sometimes we don't have a choice  
**B E Gb**  
Wake you up from half a world away  
**B E Gb**  
I need you now, lost without you  
**B E Gb**  
I'm holding on til I can find you  
**B**  
So take me home
