Goo Goo Dolls - I'll be

```
Intro: (Riff 1 / Riff 2)
The strands in your eyes
That color them wonderful
                                     Gb
Stop me and steal my breath
And emeralds from mountains
Thrust towards the sky
Never revealing their depth
     B Abm
And tell me that we belong together
B B Abm
                     Gb
Dress it up with the trappings of love
                     Abm
I'll be captivated; I'll hang from your lips
Instead of the gallows of heartache
That hangs from above
Refrão:
             Abm
I'll be your crying shoulder
          Gb
I'll be love's suicide
            Abm
I'll be better when I'm older
                  Gb
I'll be the greatest fan of your life
(B Gb E Gb)
                    Abm
Rain falls angry on the tin roof
            Gb
As we lie awake in my bed
And you're my survival
You're my living proof
My love is alive and not dead
```
