[Primeira Parte]

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You are the closest to
Heaven that I'll ever be
And I don't want to go home right now

And all I can taste is this moment
And all I can breathe is your life
And sooner or later it's over
I just don't want to miss you tonight

[Refrão]

And I don't want the world to see me

'Cause I don't think that
They'd understand
When everything's made to be broken
I just want you to know who I am

[Segunda Parte]

And you can't fight the
Tears that ain't coming
Or the moment of truth in your lies
When everything feels like the movies
Yeah you bleed just to know you're alive

[Refrão]

And I don't want the world to see me
'Cause I don't think that
they'd understand
When everything's made to be broken
I just want you to know who I am
