D

[Primeira Parte]

And I'd give up forever to touch you  
Cause I know that you feel me somehow  
You're closest to heaven that I'll ever be  
And I don't want go home right now  
And all I can taste is this moment  
And all I can breath is your life  
And sooner or later it's over  
I just don't want to miss you tonight

[Refrão]

And I don't want the world to see me  
Cause I don't think that they'd understand  
When everything's made to be broken  
I just want you to know who I am

[Segunda Parte]

And you can't fight the tears that ain't coming  
Or the moment of truth in your lies  
When everything just feels like the movies  
Yeah, you bleed just to know you're alive

[Refrão]

And I don't want the world to see me  
Cause I don't think that they'd understand  
When everything's made to be broken  
I just want you to know who I am
