[Primeira Parte]

         D         Em  Gadd9
And I'd give up forever to touch you

And I don't want to go home right now

    D          Em       Gadd9
And all I can taste is this moment

They'd understand
       Bm         A           Gadd9
When everything's made to be broken
        Bm          A        Gadd9

 Em          Gadd9
Tears that ain't coming
        Bm        A            Gadd9
Or the moment of truth in your lies

When everything feels like the movies
           Bm           A           Gadd9
Yeah you bleed just to know you're alive

[Refrão]

       Bm            A        Gadd9
And I don't want the world to see me
                Bm
'Cause I don't think that
   A          Gadd9
they'd understand
       Bm         A           Gadd9
When everything's made to be broken
        Bm          A        Gadd9
I just want you to know who I am
