

# Goo Goo Dolls - James Dean

Tom: **G**

The major part of the song is **D - A - G - G**, through the intro and verses and most of the choruses. The pre-chorus and the other part of the choruses ("I wanna be oversexed...") is **Em - G - Am - Am**. These are all open chords played on an acoustic.

## VERSE 1

Look around outside  
Ain't nothin' to do but hang around  
Thinkin' 'bout all the stupid things that I've done  
I guess I ain't nothin' but a clown

## PRE-CHORUS

And if I had a wish, I swear I'd wish, I'd wish for just one thing  
And I don't even think about all the things my wish'd bring, cause...

## CHORUS

I just wanna be James Dean  
I just wanna be James Dean  
I just wanna be James Dean  
...For a day

I wanna be oversexed and underworked and look at me,  
I'm such a jerk

And I just wanna be James Dean  
...For a day

## VERSE 2

Think about stories of the actors and the movie stars  
Sittin' here watchin' the old men drinkin' at the bar  
I think about Dean and all the things he shoulda tried

I think about Dean and all the ways he coulda die  
Yeah, died...

## PRE-CHORUS

And I wouldn't give a shit about anything cause I'd be such a big movie star  
But that don't really do me much good just cryin' at the bar

## CHORUS

I just wanna be James Dean  
I just wanna be James Dean  
I just wanna be James Dean  
...For a day

See but I'm overworked and undersexed and look at me,  
I'm such a wreck

And I just wanna be James Dean  
...For a day

## VERSE 3

I'm goin' crazy cause I'm always all alone  
I'm goin' crazy, no one calls me on the phone  
I think about Dean and I know Dean he wouldn't care  
If I was Dean I know there'd be somebody there  
Yeah, there'd be somebody there for me

Yeah I think about all the really cool things I could do and say  
And then you go and tell me that you found out Dean was gay...  
No...

## CHORUS

I don't wanna be James Dean  
I don't wanna be James Dean  
I don't wanna be James Dean  
...Anymore...
