Yeah I'm fadin'
And I call out
No one hears me

               Weighed   down

               Safe   now

You're naked inside your fear
You can't take back all those years
The shots in the dark from empty guns
Are never heard by anyone
Never heard by anyone

No one's there
And I don't think I'll ever be
