Ending

Lyrics:

(Verse)  
And even though the moment passed me by,

I still can't turn away.  
I saw the dreams you never thought you'd lose,  
Tossed along the way.  
Letters that you never meant to send,  
Lost and thrown away.

(chorus)  
Now we're grown up orphans, that never knew their names.  
We don't belong to no one, that's a shame.  
You could hide beside me, maybe for a while.  
And I won't tell no one your name, no I won't tell 'em  
your name.

(verse)  
Scars are souvenirs you never lose,  
The past is never far.  
Did you lose yourself somewhere out there?  
Did you get to be a star?  
Don't it make you sad to know that life,  
Is more than who we are.

(chorus)  
You grew up way too fast, and now there's nothing to believe.  
And re-runs all become our history.  
A tired song keeps playing on a tired radio.  
And I won't tell no one your name, no I won't tell 'em  
your name.

(Verse)  
I think about you all the time  
but I don't need the same.  
If it's lonely where you are come back down,  
and I won't tell no one your name.
