

# Goo Goo Dolls - Rebel Beat

Tom: **G**

Intro: **G C G C**

VERSE 1:

**G**  
We keep heading in the same direction  
**C**  
You've become my own reflection  
**Em**  
Is that your soul that you're trying to protect  
**C**  
I always hoped that we would intersect, yeah

**G**  
You need time to cope and time to heal  
**C**  
Time to cry if it's what you feel  
**Em**  
Oh, life can hurt, when it gets too real  
**C**  
I can hold you up when it's hard to deal

BRIDGE 1:

**Em**  
Alive, alive  
**C**  
Alive is all I wanna feel  
**Em**  
Tonight, tonight  
**D**  
I need to be where you are  
I need to be where you are

**G** **D**  
Hey you, look around  
**C**  
Can you hear that noise, it's a rebel sound  
**G** **D** **C**  
We got nowhere else to go  
**G** **D**  
And when the sun goes down and we fill the streets  
**C**  
You're gonna dance till the morning to the rebel's beat  
**Em** **D** **C**  
You can take everything from me  
  
'Cause this is all I need

**G C G C**

VERSE 2:

**G**  
You know that life is like a ticking clock  
**C**  
Nobody knows when it's gonna stop, yeah  
**Em**  
Before I'm gone I need to touch someone  
**C**  
With a word, with a kiss, with a decent song yeah  
  
**G**  
And it gets lonely when you live out loud  
**C**  
When the truth that you seek isn't in this crowd  
**Em**  
You better find your voice, better make it loud  
**C**  
We gotta burn that fire, or we'll just burn out

BRIDGE 1:

**Em**  
Alive, alive  
**C**  
Alive is all I wanna feel  
**Em**  
Tonight, tonight

I need to be where you are

**G** **D**  
Hey you, look around  
**C**  
Can you hear that noise, it's a rebel sound  
**G** **D** **C** **D**

BRIDGE 2:

**G**  
We are free tonight  
**C**  
And everything's alright  
**G**  
Just put your arms around me  
**C**  
Baby, show me how to move you  
**G** **C**  
'Cause there's no worries, there's no cares  
  
Feel the sound that's everywhere  
**G** **C**  
We'll take what's ours for once and baby, RUN LIKE HELL!

**G** **D**  
Hey you, look around  
**C** **D**  
Can you hear that noise, it's a rebel sound  
**G** **D** **C**  
We got nowhere else to go
