

# Goo Goo Dolls - Stay With You

Tom: C

Intro: (C G Am F) 2x  
Am G C

Verse 1 :

And these streets  
Turn me inside out  
\$ Everything shines  
& But leaves me empty still

And I, I'll burn this lonely house down  
\$ If you run with me  
& If you run with me

Chorus : (chords played in form)

I'll stay with you  
The walls will fall before we do  
So take my hand now  
We'll run forever  
I can feel the storm inside you  
I'll stay with you

Verse 2 :

And fooled by my own desire  
\$ I twist my fate  
& Just to feel you

But you, you turn me toward the light  
\$ And you're one with me  
& Will you run with me?

Chorus

Prelude :

Now come in from this storm  
And I taste you sweet and warm  
Take what you need  
Take what you need  
From me  
Now wake up this world  
Wake up tonight  
And run to me  
Run to me now

Chorus :

I'll stay with you  
Walls will fall before we do  
So take my hand now  
We'll run forever  
I can feel the storm inside you  
I'll stay with you  
And I'll stay with you
