God Charlotte - Festival Song

I don't care about a thing today I used to but I'm fed up And I can hear the words you say I wish that you would shut up I've got responsibility that is my liability, a menace to society At least that's what they say to me

## Acordes

[Chorus] But tonight, tonight, it's on tonight I don't want your boring life, And I don't want your 9 to 5, Or anyone to tell me how to live my life

People always tell me not to waste my time, To get a real job and get back in line, You can say I'll never be a millionaire, Tell me this guitar won't get me anywhere,

I've got responsibility, that is my liability, I'm questioning authority They say there's not a chance for me

[Chorus]

Your future's no future, Your future's no future, Your future's no future, I control my future

[Chorus x2]

i´m leavin i´m leavin i´m leavin TONIGHT
