

Good Charlotte - I Just Wanna Live

Tom: Bb
Intro: Bb - Ab - Gb - Ab (2x)

VERSE 1:

I need an alarm system in my house
So I know when people are creeping about
These people are freakin' me out
It's getting hectic everywhere that I go
They won't just leave me alone
There's things they all wanna know
I'm paranoid of all the people I meet
Why are they talking to me?
And why can't anyone see?

Chorus:

I just wanna live
Don't really care about the things that they say
Don't really care about what happens to me
I just wanna live (Just wanna live
Just wanna live just wanna live just wanna live)
Just wanna live just wanna live

VERSE 2:

I rock a lawsuit when I'm going to court
A white suit when I'm gettin' divorced

A black suit at the funeral home
And my birthday suit when I'm home alone
Talkin' on the phone
Got an interview with the Rolling Stone
They're saying "Now you're rich and now you're famous
fake ass girls all know your name and
Lifestyles of the rich and famous
Your first hit aren't you ashamed?
Of the life, of the life
Of the life we're livin'

REPEAT Chorus (at the end hit F four times instead of the whole "just wanna live" part)

VERSE 3: (Same chords)

Stop your messin' around boy
Better think of your future
Better make some good plans boy
Said everyone of my teachers
Lookout, you better play it safe
You never know what hard times will come your way
We say where we're coming from
We've already seen
The worst that this life can bring
Now we expect it everywhere that we go
All the things that they say
Yeah we already know
REPEAT Chorus

End on F

Acordes
