Good Charlotte - The Anthem

```
Tom: F
                                                          I'm gonna get by and just do my time
                                                               Db
                                                                                  Gb
                                                          Out of step while they all get in line
  Obs: F é tocado na 8ª casa, assim como Gb na 9ª

It's a new day but it all feels old,
                                                                            Gb
                                                          Bb
                                                          Do you really wanna be like them?
   Db
                      Gb
It's a good life, that's what I'm told,
                                                             Db

                                                          Do you really wanna be another trend?
                                  Gb
But everything, it all just feels the same...
                                                          Bb
                                                                       Gb
                                                          Do you wanna be part of that crowd?
   Db
                        Ab
                                                             Ab
                                                          Cause I don't ever wanna
And my high school it felt more to me
