

# Good Charlotte - We Believe

Tom: Gb

Afinação: Eb Ab Db Gb Bb Eb

(Pra ela ficar legal tente tocar só com as notas graves, se as agudas forem incluídas não ficará igual a música ;D )  
Intro: dução

There's a woman crying out tonight

Her world has changed

She asks God why

Her only son has died

And now her daughter cries

She can't sleep at night

Downtown

Another day for all the suits and ties

Another war to fight

There's no regard for life

How do they sleep at night

How can we make things right?

Just wanna make this right

We believe

We believe

We believe

We believe | Perceba q nessa parte o guitarrista começa a  
palhetar sem parar nas cordas graves  
We believe | das notas.

We believe

We believe

We believe

In this love

We are all the same

Human in all our ways and all of pain

(So let it be)

There's a love that could fall down like rain

(Let us see)

Let forgiveness wash away the pain

(What we need)

And no one really knows what they are searching for

(We believe)

This world is crying for so much more

We believe

We believe

We believe

We believe

We believe

We believe

In this love

We believe

We believe

We believe

We believe

We believe

We believe

In this love

Ponte : We believe

So this world

Is too much

For you to take

Just lay it down in follow me

I'll be everything you need

In every way

We believe
