[Primeira Parte]

C
I saw it coming
Like a knife into my stomach
And there ain't no use in running
While she's twisting it
C
Ran out of patience
Told me I'm both kinds of wasted
Like this, self-deprecation that I'm swimming in
C
This candle's burning at both ends
I think I'm learning there's a point of no returning
This is it

[Refrão]

C
She says I'm a scumbag
Wants to take her love back
Story of my life
F C
Why am I such an asshole?
Everything is my fault
Happens every time
F
Why?

[Segunda Parte]

C
Can't even argue
I'm too fucked up, it's too hard to
Smashed my heart in like a cartoon
There's no fixing it (yeah,)
C
But what's the difference between broken love and prison?
She said "Why you never listen?"
'least I think she did (yeah,)
