

# Gordon Lightfoot - If You Could Read My Mind

tom:  
D

Intro: A

A  
If you could read my mind, love  
G  
What a tale my thoughts could tell  
A  
Just like an old time movie  
G  
'Bout a ghost from a wishing well  
A D  
In a castle dark or a fortress strong  
E Gbm  
With chains upon my feet  
D A  
You know that ghost is me

D A  
And I will never be set free  
Bm E A  
As long as I'm a ghost, you can't see

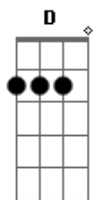

A  
If I could read your mind, love  
G  
What a tale your thoughts could tell  
A  
Just like a paperback novel  
G  
The kind the drugstore sells  
A D  
When you reach the part where the heartaches come  
E Gbm  
The hero would be me  
D A  
But heroes often fail

D A  
And you won't read that book again  
Bm E  
Because the ending's just too hard to take

[Ponte] A G A G

A D  
I'd walk away like a movie star  
E Gbm  
Who gets burned in a three way script  
D A
