

# Gordon Lightfoot - Looking At The Rain

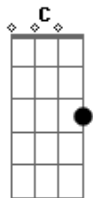

tom:  
 G  
 Looking at the rain - feeling the pain  
 Of love lost running though - my brain  
 Looking at the wind - watching it spin  
 The leaves along the street - you win  
 Waiting for a line to fall  
 Am Em Dm  
 Telling you it's all a - big mistake  
 G C  
 Looking at a face - so out of place  
 F G C  
 Inside that picture frame - of lace  
 Looking at the wall - wishing you'd call  
 F G C  
 And tell me you're okay - that's all  
 Am Em  
 Wishing this was all a dream  
 Am Em Dm  
 And I'd find you sleeping when I wake  
 G C  
 Looking at the trees - so ill at ease  
 F G C  
 From sleep that will not come - that's me  
 Looking at the dawn - knowing it's wrong  
 F G C

Still thinking of your love - that's gone  
 Am Em  
 Wishing this was all a dream  
 Am Em Dm  
 And I'd find you sleeping when I wake  
 G C  
 Looking at the door - walking the floor  
 F G C  
 And wondering where you are - once more  
 Looking at the sky - wondering why  
 F G C  
 I'd let you slip away - I cry  
 Am Em  
 Wishing this was all a dream  
 Am Em Dm  
 And I'd find you sleeping when I wake  
 G C  
 Looking at the rain - feeling the pain  
 F G C  
 Of love lost running though - my brain  
 Looking at the wind - watching it spin  
 F G C  
 The leaves along the street - you win  
 Am Em  
 Waiting for a line to fall  
 Am Em Dm  
 Telling you it's all a big mistake  
 C  
 But the words won't come  
 F G  
 I know I'd - feel the same  
 C  
 Looking at the rain
