

Gorillaz - 5/4

```
Magic gets me through
Intro: C F C Eb C F Bb Eb
                                                                   It's all good for me
                                                                   People always seem to walk through you
          F
                                                                   C F C Eb C F Bb Eb
Magic in me
                   Eb
                                                                   Walk through you
Magic makes no sound
                                                                   Walk through you
                                                                   Walk through you
It's good for me
                                                                   Walk through you
                     Fb
                                                                   Walk through you
It's good for me underground
                                                                   Walk through you
                                                                   Walk through you
                                                                   Let me tell \mbox{ nyself} - tell on
Magic on me
                     Fh
                                 C
It's really got me down
                                                                   She turned my dad on
                                                                   She turned my dad on, dad on, dad on!
Invade my city
                                                                   (no guitar)
                                                                   She made me kill myself - come on!
Bb Eb
Make my heart beat no sound
                                                                   Intermission - C repeated
CF C Eb C F Bb Eb
Beat no sound
Beat no sound
                                                                   She turned my dad on (come on)
                                                                   She turned my dad on (come on)
Beat no sound
                                                                   She turned my dad on, dad on, dad on!
Beat no sound
Beat no sound
Make me tell myself - tell on
                                                                   end on C
She turned my dad on (come on)
She turned my dad on, dad on, dad on!
                                                                   Tuning: Standard (E A D G B e)
Intro: acoustic, 2nd time with distorted electric
Magic for me
Magic gets me through
                                                                   verse : acoustic and electric
We pledge it money
People seem to walk through you
                                                                   chorus : distorted electric (guitar 1)
Magic's funny
                                                                   chorus : distorted electric (guitar 1)
