

Gorillaz - Busted And Blue

Tom: **C**

Intro: **F** **Em** **Dm** **Em** **E**
F **Em** **Dm** **Em** **E**

F **Em**
Where does it come from
Dm **Em** **E**
When everything waltzed outside, busted and blue
F **Em**
How in the universe
Dm **Em** **E**
Through the lithium, busted and blue
(**F** **Em** **Dm** **Em** **E**)

F **Em**
I was asked by a computer, a shadow on the wall
Dm **Em** **E**
An image made by Virgil, to rule over us all
F **Em**
So amplify the sirens, and to find real amends
Dm **Em** **E**
And through the echo-chambers, to other worlds away

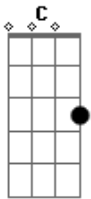

F **Em**
All my life, all my life
Dm **Em** **E**
Be my light, on me I am a satellite and I can't get back
without you

F **Em**
Be my love, be my love
Dm **Em** **E**
Be my love, be my love
(**F** **Em** **Dm** **Em** **E**)

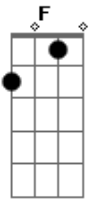

F **Em**
Where do they come from?
Dm **Em** **E**
The wires that connect to us, weightless and fall on your body
F **Em**
'Till we're invisible
Dm **Em** **E**
I'm with you through altitude, busted and blue

F **Em**
All my life, all my life
Dm **Em** **E**
Be my light, on me I am a satellite and I can't get back
without you
F **Em**
Be my love, be my love
Dm **Em** **E**
Be my love, be my love
F **Em** **Dm** **Em** **E**
Busted and blue
[Final] **F** **Em** **Dm** **Em** **E** **Am**
