

# Gorillaz - Last Living Souls

Tom: **G**

Are we the last living souls  
Are we the last living souls  
Are we the last living souls  
Are we the last living souls

Take a gun  
Or how you say  
That's no way  
To behave

But just as long you need the gear  
So sing a song that doesn't sin  
It grows

Hey, you know

Are we the last living souls  
Are we the last living souls  
Are we the last to get away  
To some another day  
Or do we know  
Well we know

Doesn't seem to be complete

Are we

Are we the last living souls  
Are we the last living souls  
Are we the last living souls  
Are we the last living souls  
Are we the last living souls

Get up, get up, get up, get up....

Cause all out of song  
I got it down wrong  
I see myself to get  
An all-seeing door now  
Can you take us in  
The part that comin' on  
The coldest man doesn't sing your song

We go to the car  
I see you walk to the far  
And when you get there do you see  
You fit the last you need on me  
Cause we're the last living souls  
We're the last living souls  
Yeah we're the last living souls  
We're the last living souls
