

# Gorillaz - Rhinestone Eyes

tom:  
Capostrate na 1ª casa

## [Primeira Parte]

I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away  
When the paralytic dreams that we all seem to keep  
Drive on engines 'til they weep  
With future pixels in factories far away  
So call the mainland from the beach  
Your heart is now washed up in bleach  
The waves are rising for this time of year  
And nobody knows what to do with the heat  
Under sunshine pylons we'll meet  
While rain is falling like rhinestones from the sky

( Dm Am Dm Am )  
( Em Am Em Am )  
( Dm Am Dm Am )  
( Em Am Em Am )

## [Segunda Parte]

I got a feeling now my heart is frozen  
All the verses and the corrosion  
Have been obstinate in my soul  
I prayed on the immovable

Yet clinging to the atoms of rock  
Seasons see adjustment, signs of change

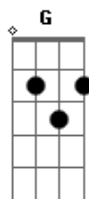

I can't see now, she said, "Taxi"  
Now that light is so I can see  
This storm brings strange loyalties and skies  
I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away  
(Here we go again)  
( Dm Am Dm Am )  
( Em Am Em Am )  
( Dm Am Dm Am )  
( Em Am Em Am )

## [Terceira Parte]

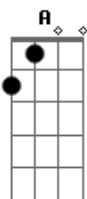

Helicopters fly over the beach  
Same time every day, same routine  
clear target in summer, when skies are blue  
It's part of the noise when winter comes  
It reverberates in my lungs  
Nature's corrupted in factories far away  
(Here we go again)  
( Dm Am Dm Am )  
( Em Am Em Am )  
( Dm Am Dm Am )  
( Em Am Em Am )

Your love's like rhinestones falling from the sky  
With future pixels in factories far away  
Your love's like rhinestones falling from the sky  
With future pixels in factories far away  
(Here we go again)
