

Gorillaz - She's My Collar (feat. Kali Uchis)

Tom: Db

Bbm
 If I could take her down and run, then I'd call her
Ab
 Cause she's standing drama, she knows I'll call her
F
 She's getting on the sun and that she ordered
Gb
 Imagine me, imagine me now
Bbm
 I don't take her number, just don't think I'd call her
Ab
 I take her down to somewhere dreading all day
F
 I clear my system, I don't need no other
Gb
 This is my persona, secret lover (she's my collar)
Bbm
 Nothing to be justified in
Ab
 Just one thing, you should feel nada
F
 I know she lies, I know she's my caller
Gb
 I sense her in my mind, she's my collar
Bbm
 She's my serpentine, she's my collar
Ab
 I send a message never call her
F
 And now I wanna taste another
Gb
 And it's safe in a persona, she's my collar
Bbm
 Nothing to be justified yet
Ab
 She's the first I'm running with
F
 She's the one that gets my collar
Gb
 She's the one I'm running with
Bbm

She's the one I'm running with
Ab
 She's the one I'm running with
F
 She's the one I'm running with
Gb
 She's my collar

(**Bbm Ab F Gb**)
 [Kali Uchis]
 I'm yellow, he was blue
 It's nothing that he could hide
 We made agreement though
 Whenever we were so alive
 I died a thousand times
 I did what I had to do
 Hey, that's just how it goes
 I'm still coming back to you

(**Bbm Ab F Gb**)
 [2-D (Kali Uchis)]
 If I could take her down and run, then I'd call her
 (You, you, you)
 Cause she's standing drama, she knows I'll call her
 (You, you, you)
 She's getting on the sun and that she ordered
 Imagine me, imagine me now (she's my collar)
 I don't take her number just don't think I'd call her
 (You, you, you)
 I take a damn [?]
 (You, you, you, you)
 I clear my system, I don't need no other
 (You, you, you)
 This is my persona, secret lover (she's my collar)

(**Bbm Ab F Gb**)
 [2-D]
 She's the one I'm running with
 She's the one I'm running with
 She's the one I'm running with
 She's my collar
 Oh
 She's my colla
