Gorillaz - Sleeping Powder

Tom: G
Intro: E Am D7 G7M

```
E                                   Am
I was gone with the self of the day, gone

D7                        G7M
With the self of the day, gone

E                         Am
With the self of the day, gone

D7
Gone, gone, gone
I was gone
```

[Verse 1]
```
 E
I'm back, where are we goin'?

Seem to get tired of the mornin' dawn
 E
With a basin on my head
I'm missin' all that I used to know, then
 E
I get the kids to go, and I get

Up on with certain dread
 E
And when I see the kissing down below
Easy life, I get right
```

[Chorus]
```
      E                           Am
I was gone with the self of the day, gone
D7                        G7M
With the self of the day, gone
E                         Am
With the self of the day, gone
D7
Gone, gone, gone
I was gone
```

[Verse 2]
```
   E
```

```
I get dropped from where I belong
I take my pills and I get in the mood and I
         E
Take five to get it to load in
Even in the place
       E
And I get my jeans on right

And sit in the rows and
         E
Inside I live in a cage and I

Peek out and summon the code and I
         E
Enter the lake to face what I'm cagin'
```

[Chorus]
```
      E                           Am
I was gone with the self of the day, gone
D7                        G7M
With the self of the day, gone
E                         Am
With the self of the day, gone
D7
Gone, gone, gone
          Bm
I was gone
```

[Bridge]
```
                    Bm
She gave me sleeping powder
N.C.
I was gone
Gone, gone, gone
Ahh!
```
[Chorus]
```
      E                           Am
I was gone with the self of the day, gone
 D7                        G7M
With the self of the day, gone
E                         Am
With the self of the day, gone
D7
Gone, gone, gone
```
