

Gotthard - Heaven

tom:
 Show me the way to your heart
 I am searching
 But i'm drifting apart
 Everything's gone, far away
 Here we're standing now
 With no words left to say
 Gave you power
 Fell on the floor
 Silence, never thought you hurt so bad
 In darkest hours
 Slept at your door
 Wishing all would be just like before
 Let me find my piece of heaven
 Let me find my way back home
 I want this love to last forever
 And back together, rise once again
 From the ashes to the sky
 base: Dm F C

Has someone taken my place
 Am i falling

Was it our last embrace
 Now you're asking me for some more time
 I am trying to survive
 Victim of my desire
 I keep on running
 I'm up all night
 Times , i never thought they hurt so bad
 In darkest hours
 Stand by your door
 Wishing all would be just like before
 Let me find my piece of heaven
 Let me find my way back home
 I want this love to last forever
 And back together, rise once again
 From the ashes to the sky
 From the ashes to the sky
 base: Dm F C
 Let me find my piece of heaven
 Let me find my way back home
 I want this love to last forever
 And back together, rise once again
 From the ashes to the sky
