E
 In the mornings

 I was anxious

 It's better just to stay in bed
 E D7M A7M D7M
 Didn't want to fail myself again
 E
 Running through all the options
 D7M
 And the endings
 A7M D7M
 Were rolling out in front of me
 E D7M A7M D7M
 But I couldn't choose a thread to begin
 E D7M A7M
 And I could not love
 D7M E
 Coz I could not love myself
 D7M A7M
 Never good enough, no
 D7M E
 That was all I'd tell myself
 D7M A7M
 And I was not well
 D7M E
 But I could not help myself
 D7M A7M D7M E D7M E D7M

I was giving up on living
 E
 In the morning
 D7M
 You were leaving
 A7M D7M
 Travelling south again
 E D7M A7M D7M
 And you said you were not unprepared
 E
 And all the dead ends
 D7M
 And disappointments
 A7M D7M
 Were fading from your memory
 E D7M A7M D7M
 Ready for that lonely life to end
 E D7M A7M
 And you gave me love
 D7M E
 When I could not love myself
 D7M A7M
 And you made me turn
 D7M E
 From the way I saw myself
 D7M A7M
 And you're patient, love
 D7M E
 And you help me help myself
 D7M
 And you save me
 A7M
 And you save me
 D7M E
 Yeah you save me
