Grace VanderWaal - Escape My Mind

Tom: Intro: G Em C [Primeira Parte] It was wrong, well, it never worked Fm Or at least I told myself To not make it hurt G I try to blast music Fm In attempt to get you out of my eyes But I can't escape my mind [Pré-Refrão] G I hate you 'cause I've always Em Cm Look at your picture G And I tell myself That I'm over it Em Cm But then I get a little unsure [Refrão] I wish I could get you Fm Out of my mind Cm But I think about it all the time G And I wish I could not think For once in my life Cm But when I see your face Cm I can't escape my mind (G) [Segunda Parte] I know we were never a thing

Em But I always think about C What could've happened if we kept going G And I never had this happen to me

Acordes

Em Only in the movies C But honey it is happening [Pré-Refrão] G I hate you 'cause I've always Em Cm Look at your picture G And I tell myself That I'm over it Em Cm But then I get a little unsure [Refrão] G I wish I could get you Fm Out of my mind Cm But I think about it all the time G And I wish I could not think Fm For once in my life Cm But when I see your face Cm I can't escape my mind [Ponte] G Em C G I can't escape my mind Cm Em I wish I could turn it off sometimes G Oh, I can't escape my mind Fm Oh, no matter how hard I try Cm I wish I could turn it off sometimes [Refrão] G I wish I could get you Em Out of my mind Cm But I think about it all the time G And I wish I could not think Fm For once in my life Cm But when I see your face Cm Cm G I can't escape my mind
