

# Grace VanderWaal - So Much More Than This

Tom: F

**Dm** **C**  
Sit right here, chillin', level low  
**F** **Bb**  
Close your eyes and just let it flow  
**Dm** **C**  
Right next to me I hear your heart beat, beat  
**F** **Bb**  
When the dial turns up and the music starts playing  
**Dm** **C**  
We don't realize in this society  
**F** **Bb** **Dm C**  
Doesn't matter how your hair looks, so what they are thinking  
**F**  
Just, just what we are finding

**Gm** **Bb**  
Tap your foot and listen in  
**F** **C**  
Ignore the world, let the music cave in  
**Gm** **Bb**  
Close your phone and breathe in the air  
**F** **C**  
You'll soon realize that there's something that is

**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh ( hey )  
**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh

**Dm** **C**  
The whole crowd seems to like me now  
**F** **Bb**  
'Cause I think I'm cool but back when I was in school  
**Dm** **C**  
They felt it very easy to hate me  
**F** **Bb**  
Funny how always these times are changing  
**Dm** **C**  
Back then it was so easy to shatter  
**F**  
But now in the end it doesn't really matter

**Gm** **Bb**  
Tap your foot and listen in  
**F** **C**  
Ignore the world, let the music cave in  
**Gm** **Bb**  
Close your phone and breathe in the air  
**F** **C**

You'll soon realize that there's something that is

**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh ( hey )  
**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh

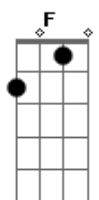

**Bb** **C**  
All of the talk, and the talk from ya  
**Dm**  
Won't even matter when the lights come up  
**Bb** **C** **Dm**  
All of the talk, and the talk from ya, hey  
**Bb** **C**  
Open your eyes and just wake up  
**Dm**  
Do all the things that will matter to ya  
**Bb** **C** **Dm**  
Open your eyes and just wake up, woah

Tap your foot and listening  
Ignore the world, let the music cave in  
Close your phone and breathe in the air  
**F** **C**  
You'll soon realize that there's something that is

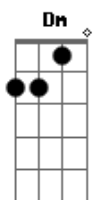

**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
You'll soon realize that there's something that is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh

**Gm** **Bb**  
So much more than this  
**F** **C**  
It is what it is  
**Gm** **Bb**  
So much more than this  
**F** **C**  
Oh, oh, oh, oh, oh, oh
