

Grace VanderWaal - Talk Good

Tom: G

Intro: F Am Am G

F Am Am G
It sounded so much better in my mind, mind
F Am Am G
I guess I messed it up again this time, time, time
F Am Am G
There's something else that I wanted to say, say
F Am Am G
But my twisted tongue got in the way, way, way

F Am
Oooh
Am G
My mouth is moving without thinking
F Am
Oooh
Am G
My brain and mouth on different systems
F Am Am G
Why can't you see my side of things
F Am Am G
I've been thinking 'bout it ever since

F Am
I wish I said this, I wish I said that
Am G
But I kinda froze in my tracks
F Am
I wish I said this, I wish I said that
Am G
But I kinda had a panic attack

F Am Am G
I wish I could talk good
F Am
I wish I could talk, I wish I could talk
F Am Am G
I wish I could talk good

F Am Am G
Rerun the conversation in my head, head
F Am Am G
Think all of the things that I should have said instead

F Am
Oooh
Am G
My mouth is moving without thinking
F Am
Oooh
Am G
My brain and mouth on different systems
F Am Am G

Why can't you see my side of things
F Am Am G
I've been thinking 'bout it ever since

F Am
I wish I said this, I wish I said that
Am G
But I kinda froze in my tracks
F Am
I wish I said this, I wish I said that
Am G
But I kinda had a panic attack

F Am Am G
I wish I could talk good
F Am
I wish I could talk, I wish I could talk
F Am Am G
I wish I could talk good

F Am
My words, my mind
Am G
all worth all your time
F Am
My words, my mind
Am G
all worth all your time
F Am Am G
I don't wanna be a puppet game and caught on your line
F Am G
I come back to these words every time

F Am
I wish I said this, I wish I said that
Am G
But I kinda had a panic attack
F Am
I wish I said this, I wish I said that
Am G
But I kinda froze in my tracks
F Am
I wish it went the way it went in my head
Am G
But it kinda crushed and burned instead
F Am
Why does it always end up like it is now
Am G
So many wish
F Am Am G
I could talk good
F Am
I wish I could talk, I wish I could talk
F Am Am G
I wish I could talk good
