Intro: A  A7M  D  Dm

[Primeira Parte]

A
Go through the day
            A7M
But I'll be checking on my phone
          D
To see if you called
Dm
You didn't call
A
One of the boys
           A7M
I'll be chill, I'll keep my cool
            D
But don't play me for the fool
Dm
Don't be so cruel
  A                         A7
'Cause I can fake it that I'm happy
      D              Dm
But this time you can see
A                   A7
You try to make a good memory
          D           Dm
'Cause you like my jealousy

But you're

[Pré-Refrão]

A
Out in the city
          A7
When you should be here with me
        D
I know I might be boring
          Dm
But I'm not one for pity
        A
Have a ball
                      A7M
At the Whitney with your friends

All so pretty
          D
I know I'm being dramatic
          Dm
So I'll go and wish you

[Refrão]

                A           A7
Have fun in the city, oh, oh, oh
                D           Dm
Have fun in the city, oh, oh, oh

(Ah, ah, ah)

[Segunda Parte]

A
Time passes slow
        A7M
```

```
And I've called everyone I know
              D
But the more that people come over
            Dm
I realize I'm getting worse than I was alone
A
Close down my phone
              A7M
I've been on it so much my eyes hurt
              D
And the outside is getting darker
          Dm
I'm tired and it's getting harder and harder to
A                         A7M
Fake it that I'm truly happy (Happy)
          D             Dm
And all my friends can see (See)
A                         A7M
You try to make a good memory (Memory)
              D           Dm
But that's hard when it's not with me

'Cause you're
