[Primeira Parte]

G
I don't got a single **C** problem with provocative **Em D**
G
See the bodies, how they burn, it's just the way it is **Em D**
G
Smoky, dark, crowded room, I need nothing **C**
Em
Under pink light in June (Ahh) **D**
G
I was so cool, but then, all of a sudden **C**
Em
You saw me look at you **D**

[Pré-Refrão]

G
I burn for you **C**
And you don't even know my name **Em D**
G
If you asked me to **C**
I'd give up everything **Em D**

[Refrão]

G
To be close to you **C**
Pull the trigger on the gun I gave you when we met **Em D**
G
I wanna be close to you **C**
Break my heart and start a fire, you got me overnight **D**
Just let me be

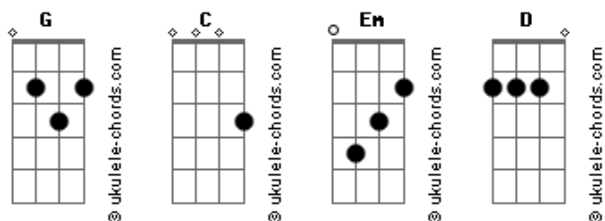

[Post-Refrão]

G
Close to you, close to you, close to you **C**
(Just let me be) Oh, close to you, close to you, close to you **Em D**

[Segunda Parte]

G
And now your mouth is moving, cinematic timing **C**
G
You pull me in and touch my neck, and now I'm dying **Em D**
G
You should be mine for life, I'll be signing **C**
Em
Every dotted line (Ah-ah-ah) **D**
G
Chemical override, ultraviolet **C**
Em
You could be mine tonight **D**
