

Gracie Abrams - Feels Like

tom:

Gb [Primeira Parte] 0h Gb We almost got away, we cut it close The city's getting loud If I choke It's only 'cause I'm scared to be alone Been tryna work it out, you should know [Refrão] I would do whatever you wanted We don?t have to leave the apartment Met you at the right time This is what it feels like Living in a movie I've watched and Funny, 'cause you couldn't have called it Met you at the right time This is what it feels like [Segunda Parte] Ωh The train was cold, we left Connecticut We stayed a couple hours Our clothes matched enough to throw me off a bit Your phone was playing "Towers" and I Acordes ukulele-chords.com

I would do whatever you wanted We don?t have to leave the apartment Met you at the right time This is what it feels like Living in a movie I've watched and Funny, 'cause you couldn't have called it Met you at the right time This is what it feels like [Ponte] And I need you sometimes We'll be all right Met you at the right time This is what it feels like And I miss you some nights We'll be all right Met you at the right time This is what it feels like [Final] I would do whatever you wanted We don?t have to leave the apartment Met you at the right time

This is what it feels like
