

# Gracie Abrams - That's So True

tom:  
C

I could go and read your mind F  
Think about your dumb face all the time C  
Living in your glass house, I'm outside, uh G  
Looking into big blue eyes F  
Did it just to hurt me, make me cry C  
Smiling through it all, yeah, that's my life G

You're an idiot, now I'm sure F  
Now I'm positive, I should go and warn her Am G  
Ooh, bet you're thinking: She's so cool F Am  
Kicking back on your couch, making eyes from across the room G  
Wait, I think I've been there too, ooh Am G  
What'd she do to get you off? (Uh-huh) F  
Taking down her hair, like, oh my God Am  
Taking off your shirt, I did that once G  
Or twice, uh  
No, I know, I know I'll fuck off (uh-huh) F  
But I think I like her, she's so fun Am  
Wait, I think I hate her, I'm not that evolved, I'm sorry G  
She's missing it, sad, sad boy F  
Am G

## Acordes

Not my business, but I had to warn ya

Ooh, bet you're thinking: She's so cool F Am  
Kicking back on your couch, making eyes from across the room G F  
Wait, I think I've been there too, ooh Am G  
Ooh, you've got me thinking: She's so cool F Am  
But I know what I know and you're just another dude G F  
Ooh, that's so true, ooh Am G

Made it out alive, but I think I lost it F  
Said that I was fine, said it from the coffin Am  
Remember how I died when you started walking? C  
That's my life, that's my life G

I'll put up a fight, taking out my earrings F  
Don't you know the vibe? Don't you know the feeling? Am C  
You should spend the night, catch me on your ceiling G  
That's your prize, that's your prize

Well, mm, bet you're thinking: She's so cool F Am  
Kicking back on your couch, making eyes from across the room G F  
Wait, I think I've been there too, ooh Am  
Ooh, you've got me thinking: She's so cool F Am  
But I know what I know and you're just another dude G F  
Ooh, that's so true, ooh, ooh, oh Am G
