 I could go and read your mind
 Think about your dumb face all the time **G**
 Living in your glass house

 I'm outside

 Looking into big blue eyes
 Did it just to hurt me

 Make me cry
 Smiling through it all

 Now I'm sure

 Kicking back on your couch
 Making eyes from across the room **C**

 What'd she do to get you off?
 Taking down her hair like 'oh my God? **Em**

 Taking off your shirt, I did that once
 Or twice (oh)

 No, I know and I'll fuck off
 But I think I like her
Em
 She's so fun
 Wait, I think I hate her
D
 I'm not that evolved
 [Pré-Refrão]

C
 I'm sorry, she's missing it

Sad, sad boy

 Not my business

 But I had to warn ya

 But I think I lost it

 Said it from my coffin **G**
 Remember how I died
 When you started walking

 That's my life
 That's my life

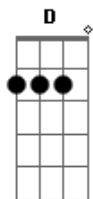

C
 I'll put up a fight
 Taking out my earrings
Em
 Don't you know the vibe?

 You should spend the night
 Catch me on your ceiling

 That's your prize
 That's your prize, well
