

Gracie Abrams - We're Still Young

C

[Primeira Parte]

Keep it down, make it stop

Do whatever I want

Sink your teeth in my tongue

I'll be fine I'm still young

Carved a hole in my mind

tom:

[Refrão]

We're still young

We're still young

We're still young

We're still young

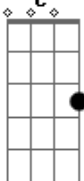

Felt it all overnight

We were both on the run

We'll be fine; We're still young
