

Gracie Abrams - We're Still Young

C tom:

[Primeira Parte]

Keep it down, make it stop
 Do whatever I want
 Sink your teeth in my tongue
 I'll be fine I'm still young
 Carved a hole in my mind

Felt it all overnight
 We were both on the run
 We'll be fine; We're still young

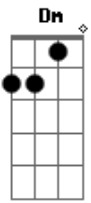

[Refrão]

We're still young
 We're still young
 We're still young
 We're still young
