

Grag Queen - Queen Of The Universe

tom:

Em

Em Em

Floating matter, once was scattered

Cadd9

Now it gathers in the ether

Em Em

Just invented, she's descended

Cadd9 Am

Her intention only is to fly

To live

Em

To love

Cm Am

Luminescent high

To give

Em

To dodge

C D Em

She is the queen of the moment

C D G

She is the queen of the night

Am Am Am

And she brought the heavens in front the light

C D Em Em

She is the queen of the universe

Em Em

So much power in her journey

Cadd9

From the outer to the center

Em Em

Pay attention, it's the chapter

Cadd9 Am

Now her mission only is to fly

To live

Em

To love

C D Em

She is the queen of the moment

C D G

She is the queen of the night

Am Am Am

And she brought the heavens in front the light

C D Em Em

She is the queen of the universe

C D Em

She is the queen of the moment

C D G

She is the queen of the night

Am Am Am

And she bright the heavens in front the light

C D Em

She is the queen of the universe

Queen of the universe!
