GRAHAM - Body Language

```
                tom:
                Dbm
        One, two

Dbm
   I know your body language
Abm7
    And it tells me I'm not safe
A
 I see the colors fading
B
 You don't look at me the same
Dbm
   No need for you to say it
Abm7
    Your eyes gave it away
A
 Don't need an explanation
B
 I know your body language

Dbm
Saw that little face that you made when
Abm7
 I  told you I don't wanna break this
       A
You ignored all the things that I'm saying
 B
When I was running you were fading
Dbm
When I was down you could make things better
Abm7
Now  you just make me bitter
 A7M
Didn't know that you'd reconsider
 B
Save your breath, I know it's over with

Dbm
    I know your body language
Abm
    And it tells me I'm not safe
A
 I see the colors fading
B
 You don't look at me the same
Dbm
    No need for you to say it

 Don't need an explanation
B
 I know your body language

Dbm                    Abm
    I know your body language
                        A
I can feel something's not right
                     B
Last night it was too quiet (oh, no)
Dbm                     Abm
    Don't keep me here waiting
                   A
Baby you got me on ice
                        B
I don't wanna do this all night (oh, no)

Dbm
    I know your body language
Abm7
     And it tells me I'm not safe
A
 I see the colors fading
B
 You don't look at me the same
Dbm
    No need for you to say it
Abm7
     Your eyes gave it away
A
 Don't need an explanation
B
 I know your body language
