

GRAHAM - Love Like Kids

tom:

Intro: D A D A

D How did we get away from the love that we had?
A Used to think that how we felt would always last
D Baby don't run away, oh that's all that I ask
A Take my hand and there's no way we're looking back

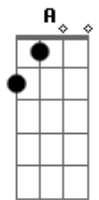

E Drifting out of touch oh baby

Take it back to ages ago

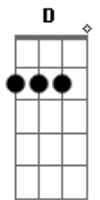

D Sneaking out of windows
A Ain't nobody gotta know
E Trying anything to light this flame again
Gb E Maybe we should love like kids
D Put away your phone

A No better time to let go
E Trying anything to light this flame again
Gb E Maybe we should love like kids
