

# GRAHAM - Mailman

tom:  
 Bb  
 Bb  
 Is there a mailman in heaven?  
 F  
 'Cause I need to send a message  
 Gm Eb  
 In denial when I hear that dial tone  
 Bb F  
 Yeah, left with possessions from the one whom I got questions  
 Gm Eb  
 Been a while since I haven't felt alone  
 Cm  
 And I, I see your face when I'm dreamin'  
 Eb  
 Holdin' on to these feelings I can't let go  
 Bb  
 I'm sendin' up a message  
 F  
 All the way to heaven  
 Gm Eb  
 I think about you more than you could know  
 Bb F  
 So if you get a second to meet me in the present  
 Gm Eb  
 I'd giv? anything to hold you close  
 Hold you close

Talkin' all night long 'cause you got my banter  
 (it's just you and me)  
 Gm Eb  
 Yeah, still do the same things but you never answer  
 (like where'd you go?)  
 Bb F  
 If I could have another wish I would call your name  
 Gm  
 Never thought that I'd miss those simple days  
 Eb  
 I'm tossed by the waves 'cause I lost my anchor (woah)  
 Cm  
 And I, I see your face when I'm dreamin' (woah, woah)  
 Eb  
 Holdin' on to these feelings I can't let go  
 Bb  
 I'm sendin' up a message  
 F  
 All the way to heaven  
 Gm Eb  
 I think about you more than you could know  
 Bb F  
 So if you get a second to meet me in the present  
 Gm Eb  
 I'd giv? anything to hold you close  
 Hold you close
