

Graveola e o Lixo Polifônico - Samba de Outro Lugar

Tom: C

o nó que tu me deste era frouxo e deslaçou
 o amor que em ti eu tinha era tudo e terminou
 no sol que esconde o mar
 no céu que esconde o sol
 da velha a fiar
 canção

(Am E)
 vim trazer
 meu carnaval de lá
 onde não existe alguém que saiba sambar

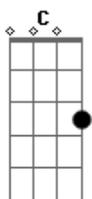

(Am E)
 encarnar
 carnavalizar um som
 pois eu sei que tenho o dom de me iludir

Dm

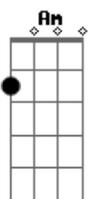

e eu vou correndo louco
 nesse gingado frouxo
 quem sabe amanhã, ver o céu à tardinha
 e eu vou cantando rouco
 nesse compasso torto
 quem sabe amanhã, ver o céu, atar

o nó que tu me deste era frouxo e deslaçou
 o amor que em ti eu tinha era tudo e terminou
 no sol que esconde o mar
 no céu que esconde o sol
 da velha a fiar
 canção
